Our Commitment:

Confidentiality: All parties are entitled to the security of confidentiality as information is shared on both sides. Any decision to make professional and personal data available to others must be authorized.

Accuracy: The description of an open position is accurately shared and candidates are accurately represented to the best of our ability through validation of performance criteria.

Follow-up: is timely and consistent: Data is shared and conveyed consistently across candidates and as quickly as possible to both parties once authorized.

Respect: Scheduling of interviews will occur in a manner that connotes respect for the client and candidate's time, availability and efforts.

Communication: Information and data that is authorized to share is clear, concise, and timely.
